

## QUALITY OF LIFE

A highly subjective measurement of an individual's well-being. Factors that play a significant role vary according to personal preferences but usually include financial security, job satisfaction, interpersonal relationships, life-work balance, family life, health, healthy food, safety, and access to cultural and leisure activities.

We publish content that will help enhance your '**Quality of Life**' on many diverse levels. We provide **RESEARCH, TRANSPARENCY, INFORMATION, and KNOWLEDGE** to improve quality of life through **ARTICLES** on the **TSI DIGITAL DIGEST, BITS-N-PICES, and PUBLICATIONS** available in **Books, eBooks and PDFs**.

Publication content includes **Environmental, Health, Life, and Real Estate**.

## Value

What sets TSI apart from other companies is its' core values. Content provides **Knowledgeable and Transparent Information**. We want TSI to be your go-to source.

In addition to the preceding, TSI provides **ARTICLES** on everyday issues and concerns on the **TSI DIGITAL DIGEST**, available by download for **FREE!** Additionally, for information on items in the news or asked by our audience, click on **Bits-N-Pieces**, where you can obtain answers in an **easy-to-read format for FREE**.

**All Books, eBooks, and PDFs are available at your favorite Retailer.**

## Technology

Information technology enables the capture, storage, and use of data unimagined previously. Tools such as intranets and document management systems will allow companies to achieve new levels of information management, collaboration, and knowledge sharing to facilitate decision making by providing fundamental support for standardized work practices.

## Team Effort

Information is obtainable easily. It is everywhere, but finding trustworthy, relevant, usable information can be challenging and even overwhelming. TSI is changing that by providing content that is factual, understandable, and accessible. Publications contain content that simplifies complex topics and avoids unnecessary jargon to give you the confidence to act.

## Knowledge

For all, we offer knowledge in the following areas:

- ◆ **Real Estate Knowledge** - educational excellence material to simplify real estate, teaching how to analyze the problems that investors face, how to create systems to eliminate as much risk as possible, and make the opportunity of investing in real estate available to everyone.
- ◆ **Environmental Knowledge** - is the information learned and the ability to understand and evaluate its positive and negative impact on people and the environment. What we do affects us now and in the future.
- ◆ **Life Knowledge** - is all that the human brain has perceived or grasped.

All content on the website is from two sources:

- ◆ **Real Property Experts** - has content of interest to the specialist in the real estate industry, including residential, commercial, and industrial publications, financial/debt-free information for individuals, and real estate opportunities for investors.
- ◆ **Enviro | Life Knowledge Publications** - provides content that will enhance your LIFE.

**THE SYNCHRONICITY INVESTOR (TSI)** is a specialized website offering world-class solutions for everyone. Whether you are a student, homebody, homeowner, small business owner, or a decision-maker at a large conglomerate, TSI is committed to providing you with choice and transparency to make knowledgeable, informed decisions.

- ◆ **Homeowners** - as a homeowner, you, too, are an investor. You placed a down payment on a property, used other people's money to finance it, invested in it, made improvements, and finally changed it from a house or property to a home. Yes, you are an investor.
- ◆ **Real Estate Investors** - as a real estate investor (Wholesaler, Jobber, Landlord, or Rehabber), you must keep abreast in this highly competitive business's latest developments. You will ensure a competitive advantage by deploying the latest innovations and technology found on TSI.
- ◆ **Commercial and Industrial Real Estate Investors** - whatever your specialty (Apartment Building/Apartment Complexes, Commercial Office Buildings, Retail, Industrial, and or Health Facilities), we will provide you with the most recent innovations and happenings in these fields.
- ◆ **Real Estate Professionals** - no matter what you specialize in (Buyer's Agent, Listing Agent, Relocation Specialist, Short-Sale Specialist, Foreclosure Specialist, Real Estate Consultant, Property Staging, Property Management, New Construction Specialist, or Commercial Real Estate Brokerage), we have the latest news and practices for you.

## Technology

We live in exciting times! Technology has transported the world to a more intuitive way of presenting information with a quick search on the Internet.

At TSI, we have positioned our **information business** precisely to keep you informed and updated. Content offered on the TSI website includes:

- ⇒ **Real Estate Knowledge**
- ⇒ **Environmental Knowledge**
- ⇒ **Life Knowledge**

As you have noticed, all of the above contain the word '**knowledge.**' But what is knowledge?

- Knowledge is the act, fact, or state of knowing a range of information.
- Knowledge is the information learned and the ability to understand and evaluate its positive and negative impact.

"How to act or react to **KNOWLEDGE** is up to you!" *Pierre Mouchette*
